TIW STATEMENT ON ITS NASDAQ LISTING

Montréal, Canada, June 28, 2005 – Telesystem International Wireless Inc. ("TIW" or the "Company") has received confirmation from The Nasdaq Stock Market that its common shares may continue to trade on The Nasdaq National Market through the first distribution to its shareholders under its plan of arrangement, provided the first distribution occurs within the timeframe described in TIW's information circular dated April 18, 2005, but in no event later than September 19, 2005. The Company will request voluntary delisting of its common shares from Nasdaq immediately following the first distribution.

Forward-looking Statements

This news release contains certain forward-looking statements concerning our future operations, economic performances, financial conditions and financing plans. These statements are based on certain assumptions and analyses made by us in light of our experience and our perception of historical trends, current conditions and expected future developments as well as other factors we believe are appropriate in the circumstances. However, whether actual results and developments will conform with our expectations and predictions is subject to a number of risks, uncertainties and assumptions. Consequently, all of the forward-looking statements made in news release are qualified by these cautionary statements, and there can be no assurance that the results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to or effects on us and our subsidiaries or their businesses or operations.

We undertake no obligation and do not intend to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise, except as may be required under applicable law. For all of these forward-looking statements, we claim the protection of the safe harbour for forward-looking statements contained in the U.S. Private Securities Litigation Reform Act of 1995.

About TIW
